Ebony: It's time we went to war. The Chosen are a bunch of scumbags. We all know that.

Patsy (nods): Yes. We have to save everyone that we can. Not everyone... not everyone was as lucky as me.

(KC turns his eyes away from Patsy as the camera pans around the group)

Bray: They're right.

Amber: We've been letting the Chosen get away with things for a long time. Its time that we fight back. Once and for all!

(Several of the Mallrats cheer)

Lex: I for one don't want to have to put up with those freaks threatening my son!

Trudy: I'm tired. Tired of being afraid!

Amber: Let's end it!

Caleb: Well I guess it's better then the other names you came up with

(Tanzie shrugs and turns back to her child)

Jared: (Nods) Yea you can listen to what I have to say

(Axel moves aside to allow Jared into his room)

Axel: What is it that you want?

Jared: It's about Darryl....

Axel: Is he ok?

(Jared nods)

Jared: He's more then ok...he's in love...but not with me (laughs to himself) I've known for a long time that he's not in love with me but I thought I could change his mind, make him love me and for awhile I think he even made himself believe that he loved me, but I'm not you so he is never going to love me like he loves you!

(Axel stands in silence taking in everything Jared is saying to him)

Jared: (continues) So it is for that reason that I'm leaving...I'm leaving because I love Darryl enough to let him be happy with the guy he wants to be with...

Axel: You would really do that for him? For us?

Jared: That's what love means, scarifying your feelings and needs for the person you love even if means you loss them to someone else

(Axel nervously rubs the back of his neck)

Axel: I dunno what to say...

Jared: (holds up his hands) You don't have to say anything, just promise me you will look after him and will love him and I'll make a promise to you...

Axel: Which is?

Jared: If you hurt him again I will come back and hurt you!

(Axel nods, Jared turns to leave)

Viola: Oh god...NO....please, please don't!!!

Colby: It's hard isn't it?

(Lex looks up at Colby and nods)

Lex: I never knew how hard it was. I guess only now I know how hard it must have been for you when... when Kacie was taken.

(Colby has a sharp intake of breath as he looks at his son and sighs)

KC: and I want us to move on from this and be happy but at the moment I cant do that, because I can't trust you, I can't understand why you don't just tell me the truth, that they raped you!

(Patsy brings her free hand up and slaps KC across his face)

Patsy: (stands up) How dare you KC....How fucking dare you! I wasn't raped they beat me black and blue but they never raped me because I was already pregnant I was already carrying a child when I got there...not that I have to explain myself to you!
